COMPTROLLER
GENERAL COUNSEL

FROM: Charles A. Briggs
Director, Office of Legislative Liaison

SUBJECT: Request for Comments: Draft Document
"Periodic Congressional Reporting Requirements
of the Central Intelligence Agency"

1. Attached for your review and comment is a draft document entitled "Periodic Congressional Reporting Requirements of the Central Intelligence Agency". This document attempts to list all the Congressional reporting requirements of the Agency: both direct (i.e., from the Agency to the Congress) and indirect (i.e., from the Agency to another agency which in turn reports to the Congress).

2. The attached document provides various items of information about these reports. In particular, it notes the Agency component responsible for production of the report. Further, for those reports due directly to the Congress from the Agency, it provides a date by which they are due to this Office for transmission to the Congress.

3. In order to ensure that this listing is as complete and accurate as possible, I would appreciate receiving your additions, deletions, comments or other suggestions by 11 October 1985.
